

Tannerie Wood Mailboxes

If you are replacing your mailbox post or box, here are the current specifications:

- **Posts:** Stain using Sherman-Williams Spicewood Brown stain. All mailbox posts will be made of 4" x 4" lumber post in an "L" shape configuration, with a bracing bar stained with Spicewood Brown stain.
- **Box:** Mailboxes can be black or brown. They can be standard size, or slightly larger than standard size. In no case will an oversized box be approved.
